ABOUT THE DEPARTMENT

The Botany Department began its journey in 1974-75, and its honours stream started in 1995-96. Since then the Department is following a steady rise in its development graph imparting the learners the basic essence of plant science engaging them in the tour of nature's endeavour. The Department has a well-equipped laboratory, herbaria, a biodiversity garden, seed repository and many other fundamental establishments which are hard to imagine to be present in a college of a rural belt. The Department hold many social outreach programs like sapling distribution, revenue generation, motivational talks etc, and conducted national level seminars, workshops etc.
